

RESPONSIBLE ALCOHOL RETAILERS OF WELD COUNTY

SCHOLARSHIP OPPORTUNITY

MISSION STATEMENT

Brought to you by the Weld County Prevention Partners, a Program of North Range Behavioral Health, Responsible Alcohol Retailers (RAR) of Weld County represents a group of on premise and off premise alcohol retailers, law enforcement, government, community members, and other interested business partners; dedicated to preventing underage drinking and reducing the over use of alcohol in our community; through responsible business practices and networking.

We are committed to:

- Preventing access of alcohol to underage individuals
- Preventing high risk drinking behaviors of legal-age drinkers
- Informing patrons that we do not condone selling alcohol to those who provide it to underage individuals
- Working together to inform the community about our concerns and commitment to reduce underage drinking
- Promoting alcohol awareness and education
- Working together to affect legislation regarding our industry, as well as underage drinking and high-risk drinking behavior
- Contributing to the Welfare of our community

Alcohol consumption can be highly dangerous to young, developing brains. Kids who are 21 years old tend to lack the maturity to make responsible decisions about binge drinking, and driving while under the influence about alcohol. We want the young men and women of Weld County to avoid the dangers of alcohol.
